

360° Maui CD

A Virtual Tour

No installation required. Insert the CD into your CD/DVD drive and wait 10—15 seconds, it will auto load in your default browser.

This is the entrance screen

Click on **Maui 360° Panoramas**, after the ‘magical map’ you will arrive at a destination in a full 360° spin around panorama. With a brief description of the location, amenities and a map showing the location on the island. With links to North or South of your destination, or back to the magical map.

 A VIRTUAL TOUR

Kauiwi (Baby) Beach > [Back to the Top](#) | [Previous Category](#)

Head South
Back to Map
Head North

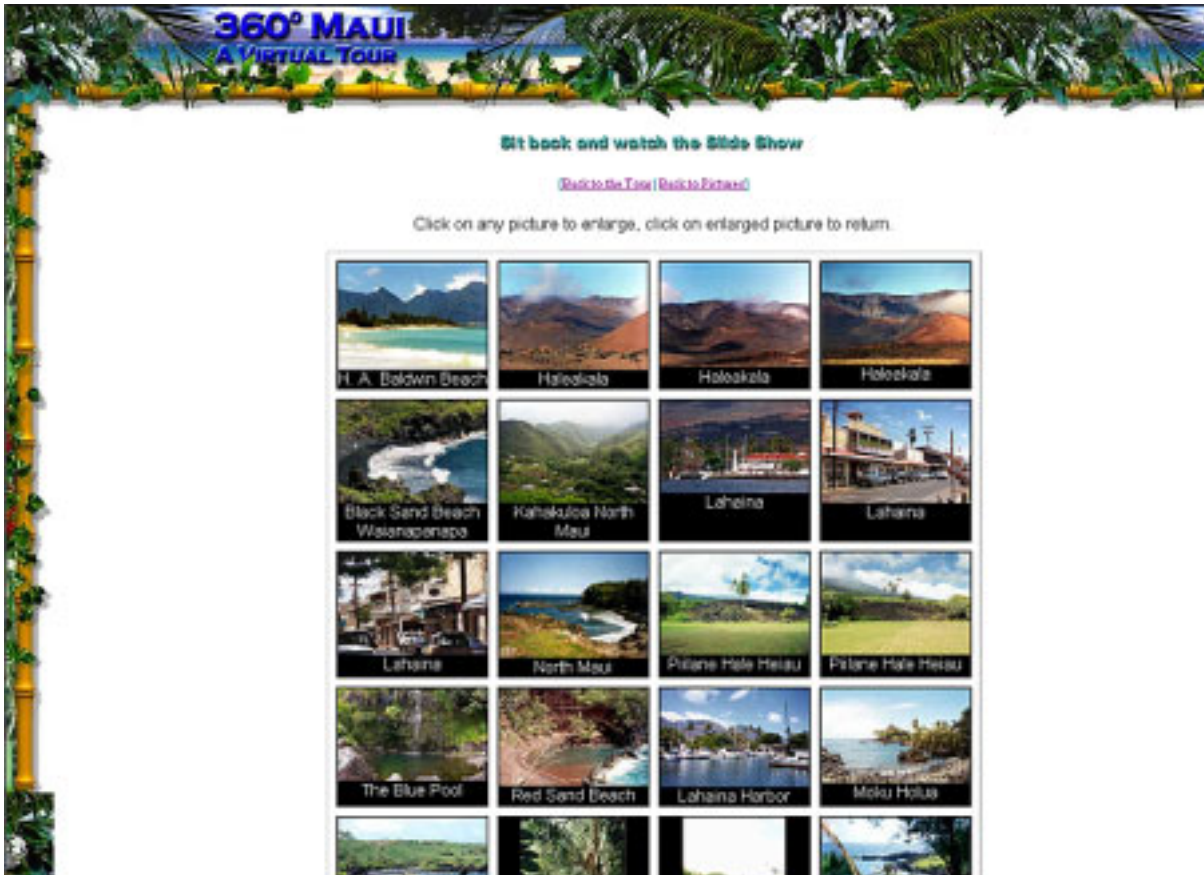

Baby beach is located just north of Lahaina. It is situated in a residential area with no organized parking. This is a great beach for kids because of the calm waters due to the cutting reef.

Lifeguard	No
Restrooms	No
Shower	No
BBQ's	No
Swimming	✓
Snorkeling	✓

Click on **Photo Gallery** and you will arrive at three classifications of photographs. Each with it's own slide show and text description of each photo.

Most of these photographs are also available to install as Desktop wallpapers or screensavers.

Click on **Movies** and you will find three categories of movies, by three different videographers.

Each movie is from 30 seconds to 1 1/2 minutes.

Click on *InfoMaui* and you will go to the CD version of InfoMaui. Quick load times and links to all internet web pages. (with dial up connection). Includes full listings of: Restaurants, Activities, Accommodations, and much much more!
